### PLEASE NOTE

The Private Horse Owner policy is designed to cover the owner of horses who is not personally involved in the commercial business of training, racing, breeding or boarding of horses, or providing riding instruction or any other commercial equine activity. The policy limits coverage to bodily injury and property damage caused directly by a horse, which is owned by the insured and scheduled on the policy.

Are your premises, or any of your stalls, occupied by horses other than your own? Are other horse operations conducted on your premises? If you have answered, "yes" to any of these questions, contact your agent and request a Commercial Equine Liability application to complete in order to obtain appropriate coverage.
